## **Limerick Radio Club**

Limerick Radio Club are pleased to announce that their first meeting of the year will take place on Thursday the 10th of October. The room in Moylish has not yet been decided, but the club should know by Tuesday next, if you are not sure contact any member of staff on the night.

---

## **Passport to World Band Radio**

The 2003 edition of "Passport to World Band Radio" is now available for ordering from Universal Radio. Passport is the "bible" of SWL's and other radio monitoring enthusiasts around the world. More information can be had from the web at [www.universal-radio.com](http://www.universal-radio.com)

---

## **South Eastern Amateur Radio Group**

General Meetings of the club resumed on Wednesday the 25th of September. The next general meeting will take place on Wednesday the 30th of October at 8.00 p.m. in the usual venue of Roanmore Social and Sports Centre, Cleaboy Road, Waterford.

Please note that the EI2WRC 2 metre voice repeater is now active again from Mt. Leinster. The move to Mt. Leinster was orchestrated by John EI8JA and Eoin EI8FXB and was in planning for the last number of weeks. Signal reports are welcome. The repeater will undergo fine tuning over the next few weeks.

If anyone is interested in doing night classes leading up to the class B license, please contact Mark on 087-6302026 or e-mail the club at [searg@angelfire.com](mailto:searg@angelfire.com). There is currently some interest from the West Waterford area and if there is sufficient interest there is a strong possibility that the classes this year will be run in Dungarvan, Co. Waterford.

For more information on any matter relating to South Eastern Amateur Radio Group, check out the clubs website at [www.angelfire.com/tx3/searg](http://www.angelfire.com/tx3/searg)

---

## **JOTA**

Jamboree On The Air is held the third weekend in October of each year.

The World Scout Bureau owns and operates its own Amateur Radio station, using the call sign HB9S. The organisation has a permanent radio room in its offices in Geneva and the station normally operates during Scout nets and during Jamboree On The Air. The station is normally active on 10, 15 and 20 metres. Making contact with HB9S requires patience, as the callsign is likely to produce pile-ups, so be patient. The station is operated in a number of languages.
